

Mestre 5/11/42 XX

My dear wife

I give you news that I am well and have
had a beautiful vacation. So much
in my present card you will be happy
to know. How your heart is my heart,
I hope that the post is very good
and contented with me. Now I am
with many thanks and kisses. And so
Your always affectionate wife Giuseppe

The entry into war has demonstrated that the Axis was not a vain word. From June to today our collaboration with Germany is really fraternal and totalitarian.
